SERIOUS BLUNDER TO DEFEAT PARKS

Says Alderman W. T. Miller
At The Meeting.

Hon. Hal Corbett Says No Question
of Advancement but of City's
Advancement.

CROSS ONE BRIDGE AT TIME.

To illustrate the financial advantage to the city of investing \$100,000 in parks now, Alderman Miller read before last night's open meeting of citizens at the court house discussing the park bond issue and water contract, a communication from a local real estate man saying that he has such confidence in the growth of the city, that he would make this proposition:

If the city would spend the \$100,000 on parks now and agree to give him half interest in the investment, he would guarantee to pay back the \$100,000 with interest at the end of 20 years, so that the city would be getting a park system, half the size contemplated, right now, and ultimately at no cost to itself.

While Alderman Miller did not recommend taking up such a proposition, he brought it in merely to show that it would be a serious financial blunder for the city to let pass this opportunity to make so good an investment as a park system would be.

Mr. Luke Palmer provided over last night's meeting, and W. H. Walters acted as secretary. Dr. D. G. Murrell, Alderman W. T. Miller, Alderman Earl Palmer and Hon. Hal Corbett spoke.

Dr. Murrell told how the stranger in the city looked upon parks. It is the only lounging place except his hotel room he can find, where he will be welcome and at the same time be able to observe life around him.

Alderman Miller traced the history of the park legislation from its inception to the passage of the act by the state legislature. He said the death rate in Paducah steadily has been lowered by sewers, good water and good streets, and that a system of parks will further reduce the rate.

Views on all sides of the question were invited but the audience evidently was for the two propositions. Alderman Palmer explained how the water rate for private hydrants is fixed in the city. He said the rates of five large cities which own their own water works, are added together and then divided by the number of cities. The average gotten is the rate charged local consumers. If the municipally operated plant furnishes water more cheaply, then to take the average of five large plants municipally operated will give Paducah a low rate—the present rate.

Hon. Hal Corbett urged the citizens to work for the two propositions because there is no question about the advisability of the park system or the water contract, but it is a question whether the city is sufficiently advanced in its ideas to want parks and a good contract. He said we should get the parks now and that municipal ownership is a bridge we may cross when we get to it.

FAST CORPORATION IS PLANNED

Capitalization of \$175,000,000 Is Involved in Big Merger.

Cincinnati, Nov. 3.—As a result of a series of negotiations being held here terms for the leasing of the Cincinnati, Covington and Newport Light and Traction company practically have been agreed upon, and that property probably soon will pass into the control of the Columbian company, a holding corporation formed under the laws of West Virginia. This company, which will have a capital of \$75,000,000, also will purchase the control of the Union Gas and Electric company of Cincinnati, the two Cleveland gas and electric properties, and own outright many thousands of acres of oil and natural gas bearing lands in West Virginia and a pipeline to this city. The aggregate capitalization of the subsidiary companies will amount to between \$100,000,000 and \$175,000,000.

BISHOP COSGROVE NEAR DEATH.

Head of Davenport, Iowa, Diocese of Roman Catholic Church Sinking.

Davenport, Iowa, Nov. 3.—At the All Saints' day masses in the Roman Catholic churches here today prayers were asked for Bishop Henry Cosgrove, whose death is expected hourly. Bishop Cosgrove has been at the head of the Davenport diocese since 1884, but has been confined to his bed for several months, showing wonderful vitality in keeping a faint hold upon life. A year or so ago Rt. Rev. James Davis, of Davenport, was appointed coadjutor bishop and took up the administration of diocesan affairs. He will be the bishop's successor.

CHILDREN'S O. K. ON TILLMAN.

Polite as Can Be Expected of Southern Gentleman, Say Pupils.

St. Louis, Nov. 3.—Senator Tillman is one of the speakers engaged for a lecture course arranged by a committee of boys and girls of the East St. Louis High school. In the following words, assure the public that it will be safe to attend Senator Tillman's lecture: "Mr. Tillman is regarded by the public generally as an eccentric, radical and even coarse and violent in speech, whence the name 'Pitchfork.' But we have been assured that his language before a mixed audience is as polished and free from offense as might be expected from a typical southern gentleman."

THREE FIRES

KEEP FIREMEN BUSY, BUT TOTAL LOSS IS SMALL.

O'Bryan's Grocery Stock Is Damaged to the Extent of \$600—Clothes on Fire.

A grocery store belonging to J. D. O'Bryan, Kinkaid avenue and Bridge street, Mechanicsburg, partly burned this morning with a loss of \$600, partly covered by insurance.

The fire originated from a defective flue and the roof was burned off. Companies Nos. 2 and 4 answered the alarm at 8:30 o'clock. Their quick work saved the building. The stock of goods was damaged by water and no insurance is carried on the stock. The building, a one-story frame, was fully insured.

At 7 o'clock last night the Nos. 1 and 3 companies were called to the M. Kahn residence Ninth and Monroe streets. The stable caught from an unknown cause and was almost destroyed before the firemen were summoned. The damage is slight.

At 6 o'clock this morning companies Nos. 1, 3 and 4 were called to 1102 Jefferson street. Clothes hanging near a kitchen stove ignited. No damage was done.

Preparing Cruisers.

Philadelphia, Nov. 3.—The United States cruisers Tennessee and Washington, which are to act as convoys to President Roosevelt on his visit to Colon, Panama, sailed from the League Island navy yard today for Hampton Roads. Each cruiser carried a full crew and about ninety marines. At Hampton Roads the cruisers will join the battleship Louisiana, upon which President Roosevelt sails.

BROTHERS

TAKE BODY OF JOHN MURRAY
WHO FELL UNDER TRAIN.

Was in Paducah Until Late Thursday Night and Left Perfectly Sober.

The body of John Murray, the piano player who fell down in front of a freight train at Clark's Station, four miles east of Paducah, Thursday night, was prepared for burial and turned over to his brother yesterday afternoon. The body will be taken to Mayfield this afternoon at 4:30 o'clock.

Murray was well known in Paducah and made frequent trips to the city. He was in Moore Whitaker's saloon at the Illinois Central depot, Thursday night, and slept in a chair from 8 until 11:30 o'clock. Mr. Whitaker was on watch and remembers Murray coming in. It is presumed that he went straight out the railroad track from the saloon. He was sober, not having had a drink from the time he entered until he left the saloon.

Last evening Fred Roth, deputy coroner, held an inquest into the death of John Murray and the verdict was that the man came to his death by accident.

Postal Appointments.

Postmasters appointed: Beaumont, Metairie county, Percy Harvey; Childers, Pike county, Hazelton H. Stallard; Livingston, Pendleton county, John Hays; Ragland, McCracken county, William H. Covington; Rex, Hart county, J. M. Brooks; Sunny-side, Warren county, John O. Haynes.

It is the daily average circulation of a newspaper that the shrewd advertiser investigates. "High Water" days don't count. The Sun's daily average last month was 3030.

POINT TO HUGHES TO WIN TUESDAY

Indications Are All Favorable
To His Election.

Hearst Has Big Following and May
Surprise Knowing Ones But
Not Probably.

BRYAN IS OUT FOR HEARST

New York, Nov. 3.—Election chances in the Empire state favor Charles E. Hughes, the Republican nominee. This is the best prediction that can be made today, based upon all indications that can be gauged. It is, however, by no means certain. Hearst is a quantity that must be reckoned with, but on the face of things Hughes has the best of it.

Echoes of yesterday's developments in the political situation in this state were heard on every side today in the comments of political leaders on the Richard Croker interview and the speech of Secretary Root at Utica last night.

Fresh interest was aroused by the publication of a letter from Wm. J. Bryan to Hrd S. Cole, borough president of Brooklyn, in which the writer expressed the hope that all Democrats would support W. R. Hearst for governor.

PLAN BIG FUND FOR MISSIONS.

Convention of Methodist Bishops to
Appropriate \$1,500,000.

Buffalo, Nov. 3.—Bishops of the Methodist Episcopal church from all parts of the civilized world met here this morning with the ministers and laymen constituting the general missionary committee of the church. One of the most important actions will be the appropriation of \$1,500,000 for missionary work. The report of the treasurer, Dr. Homan Eaton, of New York, showed cash receipts for the year just ended to be \$1,620,859, an increase over the previous year of \$113,944. The balance in the treasury is \$19,144. In the foreign fields are thirty-three conferences and missions, 561 missionaries, 2,800 native preachers, 248,378 church members and 260,552 Sunday school scholars.

CHAUFFEUR GUILTY AS SLAYER

Man Who Ran Down Pedestrian Convicted of Manslaughter.

Philadelphia, Nov. 3.—Frank Le Fleur, a chauffeur, whose automobile ran down and killed a pedestrian on Old York road, was convicted of manslaughter in the criminal court here today. The jury recommended Le Fleur to the mercy of the court. He will be sentenced.

SHAM INITIATION

WILL BE HELD FOR AMUSEMENT
OF KNIGHTS AND LADIES.

Knights of Pythias Expect to Organize
Rathbone Stages in Paducah in Few Months.

Woman's conception of lodge life will be acted in reality next Wednesday evening by the Knights of Pythias in an open meeting for their wives, mothers and daughters. The Knights will go through a farce performance of their lodge duties, after the manner women think they are done. The disguised lodge member will show his wife the way she thinks things are done, and thus try to persuade her into a rational view of his nightly absences. It will be a funny-bone meeting. Monday night the regular meeting night, initiatory exercises in the first and third degrees will be carried out. The lodge expects to organize in the next three months, the women's auxiliary of the Knights of Pythias, the Rathbone Sisters.

WOMAN AND HER DUPES FREED.

Girl Suspected of Attempting Black-mail Merely Seeking Spouse.

St. Louis, Nov. 3.—Miss Matilde Seudder, who was arrested last night on a charge of trying to extort money from Samuel Cupples, the rich wood-ware manufacturer, was released today after she confessed she claimed relationship to Cupples only to win a husband. Louis B. Press and his brother Joseph, who were arrested with Miss Seudder as her accomplices, also were released after the girl explained that they were merely her dupes, that she had lied to them in order to convince them that she was connected with wealthy people and that they were innocent of any intention to blackmail the millionaire.

TO VOTERS OF PADUCAH.

Information has just reached me that a report is in circulation representing that if elected to the office of city judge, for which I have been nominated by the Republican party, at the ensuing election, I will decline to accept or hold the office. This is equivalent to saying, that in running for the office I am deliberately deceiving the public. I wish to say now, that if elected, I shall hold the office and discharge its duties faithfully and impartially for the full term. EMMET W. BAGBY.

CLEARINGS GROW STEADILY BIGGER

Many Merchants Are Getting
In Christmas Lines.

Drummers Are Coming In Droves
With Novelties—Little Other
Unusual Activity.

REIKOPF CASE OF INTEREST

Clearings this week, \$707,077
Same week last year, \$630,050
Increase, \$77,027

The bank clearings this week again maintain the sharp increase over the same week last year which has been maintained throughout the fall. Many traveling men with holiday lines have been in the city this week and the merchants are making preparations actively for the Christmas trade. As yet these preparations have not extended to showing the strictly holiday goods.

Otherwise the week has been unmarked but the demand for labor is no less strong and building and reconstruction operations over the city are undiminished.

The first real crossing of swords in the E. Reikopf Saddlery company assignment took place this week in the filing of claims and the exceptions thereto. As indicated at first, the case promises to be the biggest legal battle in the history of the city.

Bradstreet's Weekly Report.

New York, Nov. 3.—The clear and colder weather has improved the retail trade and stimulated business greatly, resulting in a record October trade with jobbers, beside better trade with kindred lines. Industry is active, labor scarcely still a feature, iron and steel markets are advancing and large imports are the only apparent source of relief. Cotton goods are a trifle quieter, but are very firm because of the scarcity of the supply while woolen goods have been stimulated by good reports as to the retail sales of heavy clothing. Spring business is of good volume as a whole and hosiery men are taking orders for next fall. The shoe trade has been rather backward and the fall and winter trade, as expected, has not been equal to last year. The only really harmful development, itself an outgrowth of superabundant prosperity, is the growing tension as regards transportation facilities. Collections are irregular, southern payments being better, while grain blockades interfere with western and northwest exports.

Pig iron prices continue to move upward, advances ranging \$1 and \$2 per ton on goods purchased for 1907 delivery. The demand for prompt supplies, which appear to be growing scarcer, is more insistent.

BLACK TYPE

FOR HAYS' NAME, LIGHT FACE
FOR HAGER'S.

Cry of Discrimination Comes From
Latter's Friends at
Henton.

From Henton comes a cry of treachery on account of Democratic state primary ballot. Hager's friends are aroused over what seems to be favoritism toward Hays. The official ballot has Hays' name printed in bold black type, while Hager's name is in light face type, giving what Hager's friends assert is an intentional advantage to Hays.

Beckham men are making speeches over the county closing the active canvass before the primary. They are confident of carrying McCracken county, but they are anxious to win by a big majority in their stronghold.

ANNUAL MESSAGE BEING PREPARED

President Will Dwell Strongly
On Inheritance Tax.

Centralization for Benefit of Producers and Consumers One of
His Beliefs.

SOME RAILROAD LEGISLATION.

Washington, D. C., Nov. 3.—President Roosevelt has practically finished the preparation of his annual message, which will go to congress next month. He has yet to add a few paragraphs dealing with the recent Japanese situation, which he will insert after the return of Secretary Metcalf from the Pacific coast, and an observation or two regarding Panama. This early conclusion of his yearly task was made necessary by his forth coming trip in the isthmus.

The president's convictions as to the necessity of an inheritance tax has grown stronger every day since he first broached the subject, several years ago, and he will now take a more advanced stand than he has heretofore advocated.

Is in Government Control. The president's belief in the wisdom of centralization has become strong. He is of the opinion that the federal government should have supervision not only over all the lines of transportation and communication, but over the corporations controlling all the necessities of life. He believes that a speedy acceptance of this doctrine by the great corporations themselves will save them untold trouble and possibly annihilation in the future.

The Railroads. In his message the president will again pay his respects to the railroads and will urge additional legislation to re-enforce the rate law passed last winter. The law, as passed is all right as far as it goes, the president believes, but it should be strengthened here and there.

The president will again urge the early passage of the Santo Domingo treaty. Recurrence of revolutionary conditions on the island since congress adjourned last summer will be cited by the executive as striking evidence of the imperative need for the treaty's passage.

The need for a more elastic currency will be dwelt upon in the message and congress will be asked to fashion the remedy. Secretary Shaw's plan to authorize the issue by national banks of additional government guaranteed currency, equal in amount to 50 per cent of their present bond secured currency, will be suggested by the president as a possible solution of the problem, but he will ask that the finance committee of congress work out the puzzle to their own satisfaction.

\$3,000,000

SWINDLING PROFITS OF THIS
KING OF CROOKS.

Charles Norton Arrested in Chicago
With Securities Good and Bad
in His Possession.

Chicago, Nov. 3.—Charles Whittier Norton, said by the police and the federal authorities to be responsible for extensive swindling operations, is in jail here and will be arraigned tomorrow before a federal commissioner. It is claimed that Norton has defrauded people in all parts of the United States out of bonds and securities amounting to \$3,000,000.

He was first taken into custody by the police three days ago, and they held him without preferring any charge against him until a search could be made for securities said to be held by him, aggregating in value about \$3,000,000.

In his room were found bonds, stocks, abstracts of land titles, first mortgages and other negotiable paper, the greater part of which is thought to be genuine and worth almost \$2,000,000. Other papers were found valued on their face at about \$1,000,000 more, but their value is doubtful. It is claimed that Norton by selling and trading these securities has made many thousands of dollars. The postal authorities declare that they have been searching for Norton since January, 1905, when he disappeared from Detroit, Mich., ostensibly to go to London, England.

Hurt His Eye.

While striking a match to light his cigar yesterday, Dr. W. J. Haas, city physician, had his left eye seriously injured by part of the phosphorus flying into it.

BISHOP WEBB TO BE THRONED

Ceremony Will Take Place at Milwaukee Next Month.

Milwaukee, Nov. 3.—Bishop Webb, coadjutor bishop of the Milwaukee diocese, who will succeed the late Bishop Nicholson, will be enthroned some time next month. This is the only ceremony accompanying Bishop Webb's assuming the full authority of bishop of the diocese. The bishop will be enthroned by Canon C. B. Wright, and some bishop from outside will be selected by Bishop Webb to preach the sermon. Bishop Webb will maintain his present residence at Nashotah during the winter and will not occupy the bishop's residence here until some time next spring.

AT MARKET HOUSE

PARK BOND ISSUE PROPOSITION
WILL BE DISCUSSED.

Hon. Hal Corbett and Park Commissioners Will Speak on Subject
to Voters.

Members of the board of park commissioners and Hon. Hal Corbett will speak at the market house tonight on the park bond issue. Every voter is invited to attend, ask any question he desires, or discuss the proposition with the speakers. Every one desiring information will be courteously answered. Every one desiring to be heard will be accorded an opportunity to speak. This is the last opportunity to hear the bond issue proposition explained by the commissioners, who originated the plan.

Miss Marie Burton, of Colorado Springs, Col., is visiting her aunt, Mrs. Frank Boyd, of North Fifth street.

E. H. McElvane and J. C. Bell, machinists at the Illinois Central shops, will go today to Denison, Tex., to locate.

J. K. Polk who has been off for several months will return to the shop Monday.

Famous Terrorist.

St. Petersburg, Nov. 3.—Gerschulnik, one of the most famous terrorists and head of their fighting organization during the Czarist regime, has escaped from Siberia, concealed in a water cask. His disappearance is a serious menace to personages whose lives the terrorists are now seeking, as he is a skilled organizer and one of the most remarkable men the revolution has produced.

COUNTY BANK

MERGED INTO FIRST STATE
BANK OF SMITHLAND.

Deal Closed Yesterday by Which the
Two Livingston County Institutions Combine.

The First State bank, of Smithland, has purchased the Livingston County bank, the deal becoming effective the first of the year. The county bank is capitalized at \$15,000 and organized in 1900. David A. Dunn is president, Charles O. Lowry cashier and J. F. Abell assistant cashier. Officers of the First State bank are David Adams, president, Fred La Rue, vice president; S. P. Berry, cashier. The consideration was \$1,400 per share and the First State bank will move to the quarters of the Livingston county bank the first of the year.

SIET BLAME FOR TRAIN WRECK.

Jurors Begin Inquest Into Atlantic
City Bridge Disaster.

Atlantic City, N. J., Nov. 3.—The coroner's inquest into the fatal electric train wreck Sunday was begun here today and although a large number of witnesses were examined no evidence was brought out indicating the cause of the disaster. Pennsylvania railroad officials declared they were in the dark. The bridge tender and towerman said the drawbridge and track were in perfect condition.

The body of H. N. Burch, another victim of the disaster, was recovered from the mud near the scene of the wreck today.

WEATHER — Partly cloudy tonight and Sunday. Warmer in northeastern portion tonight. The highest temperature reached yesterday was 70 and the lowest today was 43.

FARTHEST NORTH ARE PEARY'S MEN

Reached 87 Degrees And 6
Minutes of Latitude.

Word Received From Hopedale, Labrador, by Peary Arctic Club
in New York.

VOYAGE IN THE ROOSEVELT

New York, Nov. 3.—The United States holds the record for furthest north—87 degrees 6 minutes. This feat was accomplished by Commander Peary of the United States navy. Peary failed to reach the pole as he had confidently hoped to do with his specially constructed vessel, The Roosevelt, but he penetrated nearer to the pole than the Duke Abruzzi expedition, which held the Arctic record, 86 degrees 34 minutes. What Peary did and his experiences during the past year in the frozen north are briefly but vividly summarized in a communication received here last night by Herbert L. Bridgman, secretary of the Peary Arctic club. This communication was as follows:

The Message.

Hopedale, Labrador, via Twillingate, N. E. Nov. 2.—The Roosevelt wintered on the north coast of Grant land somewhat north of the Albert winter quarters.

Went north with sledges via Heekia and Columbia. Was delayed by the open water between 84 and 85 degrees. Beyond 85 for six days. A gale disrupted the ice, destroyed caches, cut off communication with supporting bodies and drifted due east. Reached 87 degrees 6 minutes, north latitude, over ice drifting steadily eastward. Returning at eight dogs. Drifted eastward, delayed by open water, reached the north coast of Greenland in straightened conditions. Killed musk oxen and returned along the Greenland coast to ship. Two supporting parties were driven on the north coast of Greenland. One was rescued by me in a starving condition. After one week of recuperation on the Roosevelt, we sledged west, completing the north coast of Grantland and reached other land near the 100th meridian. Homeward voyage was an incessant battle with ice, storms and headwinds. The Roosevelt is a magnificent ice fighter and seaboat. No deaths or illness in the expedition.

(Signed) PEARY. After furnishing the Associated Press with the contents of Peary's report, Bridgman said the receipt of any news from the explorer now was quite a surprise to him, because he had supposed it had become too late in the season for Peary to send news of his venture. Bridgman added that the message spoke for itself and that since he did not know more of the results of Peary's effort to reach the pole than the public did he could hardly comment upon the dispatch. There was little doubt, however, he said, that Peary was coming home. Hopedale or Hoffs—that is a Norwegian mission station on the east coast of Labrador. Twillingate is a port on the east coast of Newfoundland. Bridgman said the message was probably mailed by Peary from Hopedale to the most accessible cable point.

Peary's polar steamship The Roosevelt, left New York July 18, 1905, with a crew of 20 men under Captain Bartlett. Peary joined the ship at Sydney, July 26. Next heard from at Dominio, Labrador, July 29, from which point she crossed to Greenland and was next heard from at Etah, North Greenland, August 16. At Etah the Roosevelt took on board a supply of coal, 23 Esquimaux and about 200 dogs.

FIRST CHURCH

Damaged \$100,000 and Fireman Fatally Injured.

Boston, Nov. 3.—The church and parish house of the first American church was almost destroyed by fire today. Fire Lieutenant Seldon was probably fatally injured by falling walls and Hoseman McDonald received serious injuries. The damage to the structure is estimated at \$100,000. The church is one of the best in the city.

PUPILS ESCAPE SCHOOL CRASH

As Children and Teachers Gain
Street Building Collapses.

Connellsville, Pa., Nov. 3.—Just as the teachers and pupils of the Galatin Public School, Springhill township, left the building today, the structure collapsed. The last teacher was locking the front door when the schoolhouse was in ruins. It was a temporary structure in use pending the completion of a brick building.

FOUR HUNDRED YEARS AGO

Dandelion was used by the Arabs as a blood purifier. Today it is used by every medical man throughout the world because every physician knows that it is one of the most valuable and effective of all Nature's remedies. On most prescriptions for pills and tablets you will see the words Ext. Tarax. Q. S., this means Extract of Dandelion, sufficient quantity. A doctor's prescription costs you anywhere from \$1.00 to \$5.00, and it is generally worth the money. Dr. Edward's Dandelion Tablets or Pills cost 25 cents for a box of thirty and they are always worth the money because they are a certain cure for those diseases for which they are recommended.

WHAT DANDELION TABLETS AND PILLS ARE.

Everybody knows that Dandelion is the most valuable of all Nature's remedies. Well, Dr. Edward's Tablets and Pills are simple common Dandelion (Taraxacum) in a concentrated form, combined with other harmless ingredients of purely vegetable matter. They are one of the very few proprietary medicines endorsed by the medical profession. If your physician desires to know what the preparations contain, have him write us and we will gladly send him the information together with the name of the expert chemist who superintends their manufacture.

Fac-Simile of Label on Box.

DISEASES CURED BY DANDELION TABLETS AND PILLS.

Constipation.

In constipation the Tablets act as a mild cathartic; the Pills are slightly stronger, but both tablets and pills act upon the mucous membranes of the intestines, therefore their action is absolutely sure and also for this reason they never gripe or cause the least discomfort. They are equally good for children as well as adults, because they are a tonic and do not produce any unnatural condition of the bowels.

STOMACH TROUBLE.

The Tablets are the best to use in cases of Stomach Trouble which take the form of Dyspepsia, Indigestion, Sour Stomach, etc., because they tone up the system and stimulate the flow of gastric juice, thus very effectively aiding the digestive organs to perform their proper functions. Their mildly cathartic action also relieves the stomach of all refuse and undigested matter.

KIDNEY TROUBLE

AND RHEUMATISM.

All Kidney trouble and nearly every case of Rheumatism is due to the presence of uric acid in the blood. Dr. Edward's Dandelion Pills through their direct action upon the Liver and Kidneys restore these organs to a sound and healthy condition. The uric acid then passes away through the natural channel and the blood becomes pure again and free from all poisonous matter.

We only guarantee to cure Rheumatism when it is caused by the presence of uric acid in the blood. We have cured hundreds of cases because this is usually the cause of rheumatic affections.

LIVER TROUBLE.

Through their direct and immediate action upon the Liver Dr. Edward's Dandelion Tablets and Pills induce a natural flow of bile. This relieves the congested condition of the liver and enables it to perform its important work of keeping the bowels and stomach in a healthy condition.

NERVOUS TROUBLE.

It is well to remember that disordered nerves are nearly always caused by a disordered stomach. We do not make a specialty of nervous troubles unless they are caused by stomach trouble—then we cure them permanently.

THEATRICAL NOTES

AT THE KENTUCKY.

Tonight "Piff Paff Pout,"
Monday Night "A Ragged Hero"
Tuesday Night.....Mildred Holland, in
"The Lily and the Prince."
Wednesday, Matinee and Night, Wm.
H. West and His Minstrels.

"Piff, Paff, Pout," B. C. Whitney's great musical attraction, which comes to The Kentucky tonight, is essentially a musical show, and comes with a record of over eight months at the New York Casino. This company is one of the largest and most expensive musical organizations ever formed, and contains among the principal members such well known stage favorites as Henrietta Lee, Denman Maye, Emille Gardner, Charles P. Morrison, Olive Woolford, Charles M. Holly, Lulu McConnell, J. C. Mendall, Fannie Ide, John Dyer, Lisle Bloodgood, Campbell McKinley and others, including a chorus of over half a hundred people. The songs are the features of the piece and are of a character that compels appreciation. In fact, there is a song hit in the air all the time and they follow each other in rapid succession, with a snap and go that is always relished. Some of the more popular songs are: "I'm The Ghost That Never Walked," "Little, Under The Goo-Goo Tree," "My Un-Ragged Man," "The Melancholy Sunbeam and The Rose," "Dolly Dimple," "Macaroni," "It's So Happy," "Cordella Malone" and others.

"A Ragged Hero." Those who like the human interest, heart throbs, blood-stirring thrills and romance flavored with the delicate comedy of an up-to-date comedy drama; will be pleased to know that a modern comedy drama will be presented at The Kentucky on Monday night. It is "A Ragged Hero." The presentation is rather an innovation in the comedy drama field.

Holland will make her appearance at The Kentucky on Tuesday night, presenting Charina Jordan's successful romantic drama "The Lily and the Prince." Miss Holland is, without doubt, one of the foremost actresses of the day and her acting here last year was one of the best bits of work offered the entire season. Her work always pleases, and her personality is magnetic and exceedingly charming. She is the artist, because she is endowed with the artistic instinct and has been thoroughly trained in the minute details of her profession. Under the direction of Edward C. White, who knowing and appreciating the worth of his star, she has been given productions worthy of her. It is of more than ordinary interest to note that Miss Holland, when last in Italy, personally met the Prince Colonna, who is a descendant of the Prince Colonna, who figures so prominently in the play.

West's Minstrels Coming.
While the chief aim of the William H. West minstrels has always been to furnish a diversified entertainment of the highest possible note it has never lost sight of the

picturesque interest with which this famous attraction is identified, and it is therefore not to be wondered at that the first part settings are planned on such a massively elegant white and gold scale. This immensely pleasing stage spectacle is styled "Statuary Hall" and contains reproductions from sculpture art. The scenic arrangements thus referred to are but a gentle indication of the generosity that appears to have

guided the spirit of the management, as in every direction there is unmistakable evidence of a desire to excel in those particular points, so essential towards minstrelsy. The minstrel comes to The Kentucky matinee and night next Wednesday, November 7.

Accomplice Under Arrest.
Chicago, Nov. 3.—Leonard Leopold, a drug clerk, alleged to have been associated with Howard Nicholas in the murder of Actress Margaret Leslie, is under arrest at Waukegan, Wis., according to the chief of police there, who claimed the prisoner admitted his identity together with his part in the crime.

THE FLAME BERRY.

Yonder it is
Hiding us still he merry
In spite of cold and the rain!
Set like a bright and windy
Lorch
Over each empty porch
When sorrowing Summer left her
palaces,
It gallantly,
Halls welcome still to every passer-
by,
Hiding him enter and fare heartily.
Look, where the white frost is,
Yonder it glows again—
The brave flame berry!

"Come hither!" it cries,
"Here will the brave heart carry
Here will the young heart sing
For pure joy of the wine-bright
air,
Like dawn blown everywhere
And for love of the wide, unhidden
skies."

And none can stay
Hear the call to listen and come
away

Down many a path for minny and
many a day!

And glad are we and wise
Who have the summoning,
Oh, brave flame berry!

Outlook, Hubbard's Journeys and
Literary Digest will be discussed.

Paducah chapter United Daughters
of the Confederacy will meet on Tues-
day afternoon at 3 o'clock with Mrs.
Mary Barnett on West Broadway. It
is the time for the annual election of
officers and a most important busi-
ness meeting and all members are
requested to be present.

The Crescendo club will meet on
Thursday afternoon at 4:15 o'clock
at the studio of Miss Virginia Newell
on North Seventh street.

Engagement of Miss Marie Burnett

Mr. and Mrs. Henry Burnett, of
Louisville, announce the engagement
of their daughter, Miss Marie Bur-
nett, to Mr. Graddy Cary. The wed-
ding will take place on January 17.

Here's to Woman—Her Influence.

While man of man is asking over
and over these days, "How do you
stand on the park bond propo-
sition?" has woman been questioned
as to her position on a subject so
vital to the city's upward growth?
Yet woman is the silent—laugh if
you want just—compelling
force behind every ballot that is cast
if she arouses herself to an interest
in the outcome. The "hand that
rocked the cradle" can also guide the
vote. Her influence has decided
even more momentous crises in the
world's history than this one now
confronting Paducah.

There is every reason why the
proposition should especially appeal
to woman. Always standing for
beauty—in person, home and sur-
roundings—in her evolution into the
club woman she has carried this love
of the beautiful abroad and today
has become the leading exponent
through her club work of civic im-
provement and beauty. She is the
power in the background that has
effected the best that has been done
in the municipal house-cleaning and
beautifying work of our large cities.
Her influence in Paducah along this
line has accomplished much. Then,
too, another problem vitally interest-
ing her today and always, is the
child-saving problem, from the little
wail on the street to those of the
crowded districts and the old young
children forced to endure labor in
mill and factory. Her ear has ever
been alert to the "cry of the chil-
dren"—her own or others. And
what can so greatly help the little
ones of rich and poor alike, men-
tally, physically and morally, as
beautiful open-air breathing places
easily accessible, where without cost
they can come close to nature's great
heart and learn of her. To secure

this great boon all Paducah women
—be she club woman or not—
should unite in one great work of
convincing their mankind.

While women are supposed to
know nothing about business meth-
ods, even the most careless and
least practical can appreciate the
force of the argument in a bargain.
For to an interested but voting-
handicapped onlooker this bond
proposition looks like the change of
a life-time to secure "something for
nothing." A regular bargain-day
event that would delight to the core
any woman's soul. A chain of parks,
one in each ward, a way of beautify-
ing the city without extra outlay, a
deal in "futures" that is absolutely
no game of chance, all for less taxa-
tion—and this you have to pay any-
way—in a year than you would pay
in a week for several trips to Wal-
lace park. Breathe there a man
with soul dead to all the latent pos-
sibilities of such an opportunity? If
so, dear Woman, and he is yours, see
to it that he is properly vitalized on
the subject. That by Tuesday he is
ready to stand for civic beauty,
cleanliness, healthfulness, purity, the
happiness of children, and is a phil-
anthropist in the highest and broad-
est sense. Let the women and chil-
dren cry out and spare not! There is
the gala and theirs will be the
loss.

Hummel-Rottgering Wedding.

The wedding of Miss Dora C.
Hummel and Mr. William Rottgering,
Jr., will take place on Tuesday
evening at 8 o'clock at the German
Lutheran church. It will be a pretty
event and the church will be appro-
priately decorated for the occasion.
Rev. A. C. Eiten will pronounce the
ceremony and Miss Louise Maurer
will play the wedding music.

The bride will wear a dainty
creation of white organdie over
white silk and the bride veil. She
will carry white chrysanthemums.
The only attendants will be the
ushers: Mr. Robert Rudolph, Mr.
Charles Rottgering, Mr. George Mey-
ers and Mr. Gus Lekey.

An informal reception at the home
of the bride's parents, Mr. and Mrs.
Ferd Hummel, Jr., on Harrison
street, will follow the ceremony. No
invitations have been issued to this.
The couple will reside on the Cairo
road.

The engagement and approaching
marriage of Miss Hummel and Mr.
Rottgering was announced this week.
They belong to prominent Paducah
families and have a large circle of
friends.

An Engagement of Interest Here.

The engagement and approaching
marriage of Miss Marie Burnett,
of Louisville, to Mr. Graddy Cary,
also of Louisville, announcement of
which is made here today, will be
of distinct interest to the host of
friends of the Burnett family in Pa-
ducah, which was their home up to
the last few years.

Miss Burnett is the second daugh-
ter of Mr. and Mrs. Henry Burnett
and is a charming girl of more than
usual attractiveness, who has been
a social favorite in Louisville since
her debut, two years ago. She is a
grand-daughter of Mrs. Mary Bur-
nett and a niece of Mr. and Mrs.
Muscoe Burnett, of Paducah, and
visited them last Christmas, when
she strengthened her childhood
friendships here as well as enlarged
the circle.

Mr. Cary, her fiance, belongs to a
prominent Louisville family and is a
rising young lawyer of that city.

Hallowe'en Reception Today.

A pretty Hallowe'en reception is
being given this afternoon from 3 to
5 o'clock at the Harth home on North
Third street, where Miss Lucile Harth
and Miss Mary Gregory are at home
to fifty of their girl friends.

The house is an attractive color
scheme of green and red with autumn
leaves in pretty profusion and jack-
o'-lanterns adding the Hallowe'en
touch. The color motif is carried out
in the delightful refreshments serv-
ed. The punch bowl is presided over
by Miss Sarah Corbett and Miss Mar-
tha Cope.

In receiving line with Miss Harth
and Miss Gregory are: Miss Mary
Cave, Miss Mary Bondurant, Miss
Azilee Reeves, Miss Mary Wheeler,
Miss Dow Gilson, Miss Mary B. Jen-
nings, Miss Gertrude Plakerton, Miss
Nella Hatfield, Miss Mildred Orme,
Miss Susan Porter Sleeth.

Alumni Meeting.

The Paducah Alumni association
held a very delightful meeting in the
High school auditorium Friday after-
noon. The feature was a talk by
Mr. Saunders A. Fowler on the poets
Eugene Fields and James Whitcomb
Riley. Mr. Fowler is an especially
happy speaker and he treated these
poets most interestingly and made an
eloquent plea for the latter-day
poets and a study of them.

The first Friday in December the
Alumni will have a lecture by the
superintendent of the Art Depart-
ment of the University of Chicago. It
will be free to the members and their
invited guests.

D. A. R. Chapter.

The November meeting of the Pa-
ducah chapter Daughters of the
American Revolution was with Mrs.
Armour Gardner, of Fountain avenue

on Friday afternoon. "Kentucky
Day" was celebrated very interest-
ingly. Mrs. I. O. Walker told of
"The Early Settlers." Mrs. Luke
Russell described "The Organization
and Historic Sites." Mrs. L. S. Du-
Bois sketched "Eminent Men and
Women." "My Old Kentucky Home"
was sung by the chapter.

Mrs. I. O. Walker made a fine re-
port of the state meeting at Paris to
which she was a delegate. Miss Em-
ily Morrow who has lately returned
from Memphis, gave an entertaining
account of the Hermitage chapter
meeting in that city which she at-
tended. Mrs. Henry Overby sang
very delightfully. A course lunch-
eon was served during the social
hour.

The chapter was well represented
and there were several visitors pres-
ent. Mrs. Desha, the mother of Mrs.
I. O. Walker, was the only out-of-
town guest.

Card Party to Miss Brizendine.

Mrs. Lela Wade Lewis' card party
on Monday afternoon in compliment
to her attractive guest, Miss Mary
Brizendine, of Russellville, was a
charming occasion of the week. The
Wade home, on Washington street,
was prettily decorated in a color-
scheme of red. Red carnations were
used throughout the rooms where
the twelve tables were arranged.
The red motif was also brought out
in the tallies and emphasized in the
course-luncheon.

The game prize, a bon-bon spoon,
was won by Miss Elizabeth Sinnott
and presented to Miss Taylor, of
Frankfort. Miss Clara Park cap-
tured the lone-hand prize, a sardine
fork. Miss Brizendine, the guest of
honor, was presented with a Paducah
convenir spoon.

The guests present were: Mrs.
Ell Hoone, Mrs. Frank Fisher, Mrs.
W. J. Hills, Mrs. H. S. Wells, Mrs.
Charles K. Wheeler, Mrs. Linneaus

Dinner to Bride and Groom.

Miss Rubie Corbett and Mr. Charles
W. Thompson were the guests of honor
at a pretty dinner party at the
Palmer House on Tuesday evening,
given by their groomsmen. It was
after the church rehearsal and was
quite an elaborate affair. The table
was charmingly decorated in white
chrysanthemums and smilax. Covers
were laid for 25 and the menu was
in twelve courses. The places were
marked by white and pink rose buds.

Those present were: Mr.
and Mrs. James Campbell, Jr.,
Mr. and Mrs. Henry Rudy, Mrs.
Arthur Cary, of Chicago; Miss Pam-
line Purcell, of Lexington; Miss Mary
Belle Taylor, of Frankfort; Miss
Virginia Kinney, of New York; Miss
Rubie Corbett, Miss Faith Langstaff,
Miss Jeannette Campbell, Miss Eliza-
beth Sinnott, Miss Frances Wallace,

Mr. Richard Rudy, Mr. Louis Hieke,
Jr., Mr. Douglas Nash, Mr. Charles
Alcott, Dr. Charles Lightfoot, Dr. J.
Q. Taylor.

Darheim Club.

Mrs. W. A. Berry was the hostess
of the Darheim club on Tuesday
afternoon, entertaining very delight-
fully at her home on North Seventh
street. Five hundred was played.
The club prize was taken by Mrs.
William Marble and presented to
Mrs. P. A. Martin, of St. Paul. The
consolation prize went to Mrs.
Wynne Tully. An attractive lunch-
eon was served after the game.
The two out-of-town guests were
Mrs. Walker Bowman, of Owensboro
and Mrs. P. A. Martin, of St. Paul.
The club is a new one in the ranks
of clubdom and the membership will
be limited to 14. It will meet every
other Tuesday and Five Hundred
will be played. Mrs. Edwin Rivers
is the president and will entertain
the club on November 13.

Enjoyable Social.

A pleasant affair was the Hallow-
e'en social on Friday evening in the
parlors of the First Christian church.
It was given by the girls of Mrs.
Frank Parham's Sunday school class.
Misses Lucile Harth, Mary Gregory,
Julia Dabney, Clara Smith, Willie
Whitis, Elizabeth Williamson, Ethel
Hawkins, Ruth Haynam, Mary Bar-
ry, Bernice Miller, Ethel Sights, Mary

HEARST AND HEARSTETTES.

When William Randolph Hearst
overstepped the bounds of discretion
and remarked his own resemblance
to Roosevelt, Secretary of State
Roosevelt, the president-elect, re-
sponded to New York and spoke of
Hearst as follows:

"Listen to what President
Roosevelt himself has said of
Hearst and his kind. President
Roosevelt's first message to con-
gress, speaking of the assassin
of McKinley, he spoke of him as
'inflamed by reckless intemperance
of those who on the stump and
in the public press, appeal to the
dark and evil spirits of malice
and greed, envy and sullen
hatred. The wind is sowed by
men who preach such doctrines,
and they cannot escape the re-
sponsibility for the whirlwind
that is reaped. This applies
alike to the deliberate demago-
gue, to the exploiter of sensation-
alism and to the crude and fool-
ish visionary who, for whatever
reason apologizes for crime and
excites aimless discontent.'"

It was the terrible cartoons of
Hearst's papers and the diabolical
editorials, designed to array class
against class, that Roosevelt said in-
duced the assassination of President
McKinley. Unfortunately for the
country, Hearst's business manager
has syndicated his wickedness, or-
ganized his chain of papers into a
trust and made money. The conse-
quence is that nearly every commu-
nity is cursed with some sort of an
imitation Hearst, who opposes ev-
ery public project, vilifies his fellow
men, denounces those who are striv-
ing for the same objects he pre-
tends to yearn for, but who decline
to follow his lead; and seeks to de-
stroy where he can not hope to build
again. William Randolph Hearst has
more to answer for in his penny
prototypes throughout the country than
in his positive evil influence in the
metropolis. The salvation of the
country lies in the fact that the lit-
tle Hearsts have not surrounded
themselves with men of sufficient
brains to make their devilry pay.

Since the business men's meeting
on the morning of October 31, was
attended by Mr. H. H. Scott and the

resolutions favoring the water con-
tract and park bonds were the sub-
ject of the conference then, and
since Mr. B. H. Scott agreed to the
resolution and the afternoon session
was merely an adjourned session
from the morning, we fall to see
where much headway is made in the
deal that Mr. Scott was done. In-
justice yesterday morning, Mr. Scott
left the city yesterday and is still
out of the city. He endorses the
Commercial club resolutions and
know their contents. The silly sub-
terfuge that Mr. Scott did not dis-
cuss the business of the morning
meeting is too thin. It was to con-
sider resolutions endorsing the two
measures. Mr. Scott was not asked
what was done at the meeting, be-
cause it was the intention of the pa-
per to misconstrue his statement;
just as he was asked in the first in-
stance if he had attended a Com-
mercial club meeting the night of
October 31. Instead of being asked
if he had attended the meeting
when the resolutions were consid-
ered. The business men endorse the
water contract and the park bond
issue, and trickery will not conceal
the fact.

The members of the general coun-
cil stand on their record. You, who
elected them, if you find that re-
cord clear return them. They are now
better qualified to perform the du-
ties of their office than when they
entered, entirely unfamiliar with
the city's needs, parliamentary pro-
cedure, and the ways of favor seek-
ers. When an employ in your pri-
vate business learns the duties of
his position and develops capacity
for the work, you do not discharge
him at the first opportunity and hire
a new man. That policy seems to be
the custom in municipal affairs.
That is the reason why persons
dealing with cities so often get the
advantage. It is not because the
city's officials are not just as intelli-
gent and faithful as the people they
deal with. It is because the city is
forever changing employes and in-
troducing strangers to the negotia-
tions, while the private concerns set-
tled and experienced employes to
the task. Now, let's give Paducah a
fair show and keep the council, if it
is satisfactory.

Judge E. W. Bagby, if elected
judge of the police court, will attend
to the duties of the office, serve out
his term, Providence permitting, and
will not resign in favor of anyone.
A false statement is being circulated
that he will resign and Mayor Yel-
ler will make an appointment. That
rumorback is the companion of a lot of
other slanderous stuff being circu-
lated against him. See his statement
on the first page.

The work being done on Broad-
way between Third and Fifth streets
gives a faint idea of what it would
mean to build a municipal water
plant and lay new pipes. The street
railway company goes down about
two feet. To lay water pipes a trench
many feet deep would have to be
dug. With every street in Paducah
torn up that way consider the dis-
tress and damage.

We can not blame those who ex-
pect to appear as defendants in the
police court, for being interested and
working for their choice for police
judge. The rest of us, who look to
the police court for protection
against the enemies of society, must
be equally loyal in support of our
candidate. The others are out work-
ing.

Last summer when excursions
came into Paducah the excursionist
found not a single place to go except
along Broadway and to Wallace
park. The city should have parks
and drinking fountains.

If the city decides to purchase the
water plant the contract will not be
abrogated. The contract will not be
considered in estimating the value
of the water plant. If the city wishes
to purchase it.

Think of your children when you
vote for school trustees, and vote
for the men who have had considera-
tion enough for your children to
adopt a platform favoring better
schools.

The water contract will save the
city \$1,425 a year, for ten years, and
\$6,510 a year for the following eight
years. In twenty years it will save
the face of the park bond issue.

Why don't those negro club mem-
bers take fishing tackle as well as
guns? They are as likely to come
down in a luke as the woods.

Defeating the park bond issue will
not help to reduce the tax rate. The
legislature fixed the apportionment
for parks.

A sinking fund fed by the income
from the tax rate fixed by the leg-
islature will retire the park bonds at
maturity.

Paducah with a park and boule-
vard system, that will not increase
the tax rate, will be a show place.

Parks will redeem waste places
and increase the value of property
in every ward.

The water contract will not delay
the purchase of the water plant.

The park bond issue will not in-
crease the tax rate one penny.

A park in every ward in Paducah.

Park Commissioners Explain The \$100,000 Bond Issue.

The law creating the park board
was introduced by Lexington, Cov-
ington and Newport, the other second
class cities of Kentucky. They have
parks now, and wanted provisions
for their maintenance, so the pros-
pects of it ever being revealed are out
of consideration, as those towns
would certainly fight any such move
very vigorously.

Therefore, if, under the law, we
are to have a park board, let us make
the best of the opportunity and es-
tablish a system of parks NOW, for
you and yours, instead of waiting
twenty or more years.

Under the law, the council is to
assess 5c on the \$100 for parks,
which with Paducah, now, is \$5,000
a year. As the city grows this will
increase.

The \$100,000 bond issue was con-
ceived as a measure to give us now
as much money as we would get un-
der the law in twenty years, if we
waited.

The commissioners will establish a
sinking fund, depositing in it the
money received from the city each
year, and the bonds paid off with this
fund when due.

They will be for forty years, and
will bear 4 per cent. interest only.
Absolutely no other appropriation

will be asked from the city for the
parks. All the expense of buying
the parks, maintaining them, the in-
terest on the bonds, and every item
of expense will be cared for out of
this issue.

Therefore, your taxes won't be in-
creased one cent, regardless of what
any one may tell you. You will have
to pay the 5c whether the bonds are
issued or not.

But, what is the tax, 5c? If a
poor man has a home he values at
\$2,000, he pays \$1 a year for the
parks. He would pay that in car fare
alone, in one week, if he took his fam-
ily to Wallace park.

It is our plan to put a park where
ever they are wanted. One will be
in Manchesterburg as well as in
all the localities.

Remember these facts and if there
is any other point on which you want
further information any member of
the board will gladly give it.

The issue is for all Paducah, and
in the interest of no one more than
another.

DETECTIVES ARE SPOTTING ELECTION AND REGISTRATION LAW VIOLATORS

At a meeting of the Republican
campaign committee recently, a
special committee was appointed to
see after the enforcement of the statu-
tes which prevent interference with
voters, and private detectives were
employed to report all violations of
the law that provides a penalty for
interference with voters in city elec-
tions.

Section 1585 A. of the Kentucky
statutes provides that any person who
shall unlawfully prevent or attempt
to prevent any voter from casting his
ballot, or who shall intimidate or at-
tempt to intimidate any voter, so as
to prevent him from casting his bal-
lot, shall be deemed guilty of felony
and shall be confined in the peniten-
tiary not less than one year nor more
than five years for each offense. And
the fact that the offender is an elec-
tion officer or officer of the state,

county or city, will not shield him in
the violations of this law. Section
1591 of the Kentucky statutes fur-
ther provides, that said law shall be
liberally construed to prevent an eva-
sion of it by any sort of shift or de-
vice. The following are held viola-
tions of the law: Unlawfully per-
suading a voter to remain away from
the polls by bribery, or depriving
him of his registration certificate by
any sort of shift or device, or by in-
ducing him to lose or otherwise dis-
pose of his certificate. The law is
exceedingly severe, and provides
against every conceivable scheme
that prevents a voter from casting
his vote, and further provides that
the offender cannot protect himself
under the claim that he is an elec-
tion officer or other kind of officer.

"Her Own Way" Pleasing.
Sybil Lynden in "Her Own Way"
made a pleasing impression on her
audience at the Kentucky last night.
The piece is well known by reason of
Maxine Elliott's successful starring
tour in it. It is a typical Clyde Fitch
play. The story is well told and in-
teresting throughout and the com-
pany is sufficiently strong not to mar
the telling. Georgiana Carley, the
role assumed by Miss Lynden, is a
common sense, "capable" woman of
matured charms, with a weak broth-
er, who gambles on "inside informa-
tion" with the usual consequences.
Sam Coast, a self-made, unenured
man, loves her and induces her
brother to squander his own and his
wife's and his sister's money, so
Coast may come to the rescue of the
family and marry Miss Georgiana.
Altogether he is an attractive vil-
lain. Georgiana loves Lieutenant
Coleman, who discovers that he re-
ciprocates her affection when he is
sent with a New York militia regiment
to quell a disturbance in the

Philippines. (What's the use of go-
ing to the theater, if you haven't
any imagination?) In the first scene
in the nursery, where three chil-
dren at a birthday dinner occupy the
center of the stage, Fitch treats of
childhood with a certainty that re-
calls the days of Millie James' tri-
umph in "Lovers Lane."

Bryan to Answer Beveridge.
Lincoln, Nov. 3.—Wm. Jennings
Bryan completed his speaking tour of
Nebraska today. At the Auditorium
tonight he will have "dreams" for
his subject, answering Senator Bever-
idge. The latter in a speech here re-
cently called Bryan "A Dreamer."

Red Men's Smoker.
The Red Men's smoker last night
at their rooms on North Fourth
street was largely attended and
thoroughly enjoyed. The rooms made
a fine appearance in their new fur-
nishings. Next Friday Attorney Al-
ben Barkley will deliver a lecture on
"Freedom" to the lodge members.

JURY IS EXCUSED UNTIL WEDNESDAY

No More Trials Until After
The Election.

Judge Reed Will Hear Motions and
Personal Matters at Sessions
Monday.

VERDICT IN THE SINE CASE

All petit jurors were excused to-
day at noon until Wednesday morn-
ing. No jury trials in the circuit
court will be held Monday and Tues-
day. The action was taken because
of election day. Judge Reed will
hold court Monday, but will merely
pass on motions and denunciations.

\$2,000 Damages.

A verdict for \$2,000 damages was
returned in the case of William Sine
against the Paducah Traction com-
pany, today. Sine was working on
an ice wagon and at Third and
Jackson streets this summer, when
it was struck by a street car. His
right leg was cut off at the ankle.
He asked for \$10,000.

At press time the case of Nellie
R. Wynn against the Paducah City
railway was on trial. She asks for
\$15,000 damages for personal inju-
ries.

A. Hunt filed suit today against
W. Fletcher and P. F. Foreman for
\$973 damages. He agreed to sell
logs to the defendant and claims
that the contract was broken.

The jury in the case of F. G. Ru-
dolph administrator of Pink Under-
wood, against the Illinois Central
was dismissed until Wednesday
pending argument to transfer the
case to the federal court.

W. A. Berry was today made spe-
cial judge of the McCracken circuit
court to act in cases in which Cir-
cuit Judge William Reed is inter-
ested.

The case of F. N. Gardner, Jr.
against Edward Bulger was contin-
ued.

The plaintiff filed a motion for a
new trial in the case of John Per-
dow against the Illinois Central.

A judgment for the sale of land
was filed in the action of Emmett T.
Wood against John C. Wood.

Horse Attached.
A horse belonging to Bud Hrod
was attached this morning by Con-
stable A. C. Shelton on an action in-
stituted in Magistrate C. W. Emery's
court by H. H. Parish for \$31 alleged
to be due for horse feed.

CHINESE MUTINEERS

Seriously Wounded Officers of a Ger-
man Steamer.

Berlin, Nov. 3.—The captain, two
mates and the engineer of the Ger-
man steamer, Syfning, were seriously
wounded today in a fight with Chi-
nese mutineers. Among the crew ac-
cording to a telegram received from
Stettin. Only after a desperate strug-
gle were the police able to subdue
the mutineers and arrest them.
Twenty-four Chinese took part in
the mutiny and attempted to seize
the ship. They attacked officers vi-
ciously.

Big Fly Wheel Burst.
Nashville, Tenn., Nov. 3.—The en-
gine in the Standard candy factory,
this city, ran away last night and the
big fly wheel went to pieces. A fly-
ing spoke killed two negroes. A
panic among the girls employed in
the factory resulted, but none were
seriously injured.

The Rigors of Cold Weather.
Probably at no time of the year
does the physical condition of the
body demand more attention than
just at this season, the beginning of
cold weather.

Let the system be run down, or the
blood impoverished to any extent and
the cold weather goes hard with you.
Naturally the thing to do is to
get the circulation in good order, and
the whole system toned up to stand
the rigors of winter.

Some physicians prescribe the daily
cold bath, others seek recourse in
blood tonics and other stimulants,
but, probably the most rational treat-
ment of all is the Osteopathic, as
Osteopathy more quickly, and more
effectively rights the blood flow and
restores normal conditions than any
other known treatment.

Osteopathy is only a natural
treatment, a method of bloodless sur-
gical manipulations to remove any
obstructions interfering with the pro-
per transference of nerve force, or
natural blood flow, or the other flu-
ids, to the organ or part involved.

I should like to have you call and
let me tell of some Paducah people
whom you know well that Osteopa-
thy has done much for, and also to
tell you what it will do in your par-
ticular case.

High School Alumni.

The Paducah Alumni association is arranging for a series of lectures and affairs for the winter that will bring the best talent of the country to Paducah, and will be of a most interesting character.

The initial one will be during the first week of December when Miss Cushman, who is the head of the art department of the University of Chicago, and who has a national reputation, will lecture on Thursday night and Friday afternoon. The reception that is given to this will regulate the others of the series.

In this move the Alumni association is actuated by philanthropic motives, and will be content to cover the actual expenses only, so the charge for the lecture will be merely nominal.

Charity Club.

The Charity club met this morning with Mrs. Edmund P. Noble, at her home on West Broadway. By vote of the club it was decided to disband for the winter and put the city's poor back on the city. A meeting will be held on Tuesday morning with Mrs. Noble to decide what disposition to make of the money the club now has on hand.

The Charity club has done splendid work for the poor in Paducah for several years, and is composed of a number of the most representative women who have given themselves to the cause at much personal sacrifice. Their decision to disband will be generally regretted.

A Smithland Wedding.

Miss Laura Champion and Mr. D. A. Duan, of Smithland, will be married tomorrow evening at the Baptist church of that place. Both are prominent residents of Smithland and are well known in Paducah. The bridegroom is a cousin of Drs. H. H. and Frank Daily, of Paducah.

Hallowe'en Party.

Miss Ruth Benson gave a Hallowe'en party Wednesday evening at her home on Fifth and Tennessee streets. A jolly time was enjoyed by the guests. Delightful refreshments were served.

Miss Pearl Thompson, of 621 North Fifth street, who has been ill for two weeks, is much worse today.

Miss Lena Hensberger, the trained nurse, returned yesterday from attending a patient at Murray, Ky.

Mr. Louis Fields and son, of Fulton, are visiting Mrs. H. P. Hawkins, of Kentucky avenue.

Mr. George McGowan has returned from East St. Louis and taken a place with the Cochran Shoe company.

Mr. Abo Livingston left yesterday for Milwaukee, Wis., where he marries Miss Martha Osterman.

Mrs. Lee Crumbaugh yesterday went to Columbus, Miss., to have her household goods shipped to Memphis, where she will reside after the first of next year. She returns here next week to continue visiting the family of Mr. George Crumbaugh, of North Seventh street.

Mr. Pat Halloran, of the Katterjohn Construction company at Cedar Bluff, returned to the quarries this morning after a business trip to the city.

Mr. J. W. Dieke and family went to Vale, Tenn., this morning to visit. He is a tax inspector for the Illinois Central here.

Mr. W. H. Seck, of Seventh and Washington streets, who went to Evansville to have an operation performed on his ear will return tomorrow.

Mrs. G. M. Tagg, of 1027 Jefferson street, will leave tonight for a visit in Battle Creek, Mich.

HALF MILLION LIME

Case Between Publishers Fell Down in Memphis.

Memphis, Nov. 3.—The jury in the Gilbert D. Raine \$500,000 libel suit against the Commercial Publishing company at 4:10 o'clock yesterday afternoon returned a verdict for the defendant company.

The publication was made after a series of articles had appeared in the News-Scholar, of which Mr. Raine was the principal owner and editor, which reflected upon the Commercial Appeal and members of the directory of the paper.

SKETCHING CLUB.

Organized Among School Teachers of Paducah.

A sketching club is the latest organization in the Paducah public schools, and this morning members of the club are out sketching from nature. The club is new but bids fair to flourish. Miss Ellen Willis, a teacher at the Washington school, is organizer of the club and school teachers are members.

Official Forecasts.

The Ohio from Evansville to Cairo, and the Tennessee from Florence to the mouth, will continue falling during the next several days.

The gauge this morning registered a fall of 0.6 in the last 24 hours, the stage being 8.5. Packets were few at the wharf and business was quiet.

The Sallito will leave St. Louis this evening for the round trip to the Tennessee river, arriving here Sunday night or Monday morning.

The John Hopkins left today in the Evansville trade and the Henry Harley tied up to the bank. At the rate the river is falling, the Dunbar and Henry Harley may have to go back to the Evansville trade.

The Dick Fowler left about on time this morning for Cairo and will return tonight at 8 o'clock.

The Kentucky is receiving freight at the wharf today and will clear for the Tennessee river this evening at 6 o'clock.

The Butteroff will arrive Sunday night from Nashville and lie over till Monday noon before leaving for Clarksville.

The Georgia Lee arrived yesterday afternoon from Memphis on the through trip to Cincinnati.

Some skeptical river men lost several quarters yesterday. A woman at the wharf said she could bend over and take a quarter from between her heels without bending her knees. One river man put up a quarter and the woman with the utmost suppleness accomplished the feat. Then she could bend backward and get the quarter with her teeth. This exasperated the credulity of one river man and despite his love for the nightly, he put up a quarter. With the ease of a circus performer the woman bent backward, picked up the quarter with her teeth and rose without a quibble. She suggested several more ways she could get quarters but the two exhibitions fully satisfied the wharfport loungers that a fool and his money are soon parted.

HIGH SCHOOL WON GAME ON MERITS

Better Practice Showed in Method of Attack

Scored Touch Down in Three Minutes After Play Began, Against R. L. C.'s Team.

FAIR CROWD IN ATTENDANCE

High School 17
R. L. C.'s 0

Obviously, the score tells a tale of markedly superior playing by the side that won yesterday's football game at Wallace park. The High school team scored a touchdown within three minutes after play began, and the second touchdown was made within eight minutes. Another touchdown was made in the second half 14 minutes after play began. Each touchdown counted five points and quarterback Haley for the High school kicked two goals. Kicking a goal counts one point.

The playing was clean and only one approach to an accident was made when Champion of the R. L. C.'s for a few moments was unconscious, but pluckily went back into the game.

The lineup was:
High School—Virgin, center; Cave, right guard; Luftenburg, right tackle; Elliott, right end; Burton, left guard; Reeder, left tackle; Bagby, left end; Haley, quarterback; St. John, left half; Fisher, right half; James, fullback.

R. L. C.'s—Wickliffe, center; Hughes, right guard; Hayes, right tackle; Coburn, right end; Stanley, left guard; Monte Lack, left tackle; Singleton, left end; Katterjohn, quarterback; Henneberger, right half; Owen, left half; Beyer, fullback.

While the playing throughout the game showed that the High school outclassed the R. L. C.'s, allowance must be made for the inadequate opportunity for practice the latter team had, being composed of young men with business duties. Much of their practice was gotten by moonlight, and Coach Brooks made a good showing.

High school kicked off and soon had the ball from the R. L. C.'s. Fisher for the High school made heavy gains through the line in mass plays and St. John went over the line scoring the first touchdown, three minutes after play began. Haley failed to kick the goal and the score was 5 to 0.

R. L. C.'s received again on the kick off, and while they had the ball their mass plays through the High school line were ineffective. The ball was lost to the High school on a fumble and in both end and line plays St. John, Fisher and Bagby made big gains. R. L. C.'s got the ball on downs but lost again on a fumble, which Haley caught and carried ahead for a sharp gain. By this time the ball was near the High school goal, but R. L. C.'s held the High school on downs and secured the ball. In an attempt to kick the ball back into the field, R. L. C.'s made a poor play. Virgin of the High school caught the ball and went through the line for the second touchdown, eight minutes after play began. Haley kicked the goal and the score stood 11 to 0 in favor of the High school.

The High school received on the kick off, the ball being kicked to their 15 yard line. The High school halves made heavy gains with mass plays and end runs. The work was showing on the R. L. C.'s On a punt R. L. C.'s got the ball but at the end of the first half, the High school had the ball on the 40 yard line in the opponents' territory.

The second half showed both teams somewhat winded and it required 14 minutes of play to score the final touchdown of the game. Elliott made a 20 yard run around end. R. L. C.'s got the ball on their second yard line and the High school were fined 15 yards for off side play. High school got the ball on downs and St. John crossed the line after a hard 12 yard run. In many of the plays, the High school carried the ball ahead after being tackled. Haley kicked the goal.

After the next kickoff, the High school was advanced 15 yards on a fine against R. L. C.'s. With the ball in three yards of the line and a touchdown certain, time was called.

The crowd that witnessed the game overran the field in their enthusiasm interfering with the play. One hundred and fifty persons saw the game. Mr. Henry Rudy was referee, Coach Roscoe Reed was umpire, Frank Judge and Ewing Gilson, timekeepers. Time of halves 20 minutes. The gate receipts more than covered expenses.

In tackling Champion of the R. L. C.'s was conspicuous and James for the High school did star defensive work. Quarterbacks Katterjohn and Haley showed good generalship at critical moments.

FIGHT ON ENGLISH LABOR BILL.
Effort to Omit Ireland From Operation of Act Arouses Redmond.

London, Nov. 3.—The resumption in the house of commons today of the debate of the trades disputes bill, including the amendment of Oct. 24 placing union funds beyond the reach of attack, led to some lively scenes. Members of the opposition, in their speeches, twitted the ministers with surrendering the labor party. In seconding a motion to omit Ireland from the opposition of the act Samuel Henry Butcher contended it would give absolute immunity to boycotting. The Irish members violently reproached Mr. Butcher for slandering his own country. John Redmond said he could conceive of no more disgraceful scandal than to suggest that it was unsafe to give Ireland the same rights as England. The motion was rejected.

The home laxative
—should be safe

This one is. A good physic should always be kept in the house. Nearly every affliction to which the human body is heir, from a slight cold to a severe attack of liver or kidney trouble, is in a great degree due to improper bowel action and can be more quickly relieved and cured by cleansing the bowels than in any other manner.

The home remedy should be safe for all members of the family who may be required to use it. The average physic, such as the alleged mineral waters, which are nothing more or less than preparations of salts and carbonated water—similar to soda water—candied pellets and pills, will move the bowels, but in doing so they often leave the patient weak. No one should ever take a physic which makes him weak. If such a remedy is continued a terrible habit is created which will make it necessary that a physic be administered before the bowels can be induced to perform their functions.

Dr. Caldwell's Syrup Pepsin

is a safe remedy for the home. It is a stomach tonic which gives strength to the entire system and makes it possible for the bowels to act without further aid. It is so pleasant to take that children like it. It never causes pains or griping. All druggists sell Dr. Caldwell's Syrup Pepsin at 50 cents and \$1.00 a bottle.

Copyright, 1904, by Harper & Brothers

Honored Sir [he wrote]—Treating you with the liberty I take up my pen to advise you respectfully while writing this word Joseph closed his left eye—that my master is taken seriously worse than being on the sick list now for a matter of five weeks, he just lies on his back as weak as a newborn babe, and the morning is, and doesn't take no notice of nothing. I have succeeded in bringing him down to the coast, which we hope to reach tomorrow, and where we get to Louisa—a poor sort of place—I stand at once obtain the best advice obtainable—that is to be had. However, I may have to sail for it, but money being no object to either master or me, respectfully I beg to say that every one will be taken. Master having kind friends at Louisa, I have no anxiety as to the future, but I hope after a matter of a year or two in the past—just touch and go, not to speak. Not being in a position to form a estimate of what the master will be, I can only say that I fully mention that I take it to be a general relapse of the system, brought on, no doubt, by low food eating in the unhealthy climate of central Africa. As I get him to Louisa I shall ask Miss Gordon kindly to write to you, sir, seeing as I have no great family with no pen, I am, honored sir, your respectful servant to command.

JOSEPH ATKINSON,
late Corporal Two Hundred and Seventy-third Regiment.

With a feeling of considerable satisfaction Joseph approached the luncheon at Louisa three days later. The short sea voyage had somewhat revived Meredith, who had been desirous of walking up from the beach, but after a short attempt had been compelled to enter the spring cart which Joseph had secured.

Joseph walked by the side of this cart with an erect carriage and a suppressed importance suggestive of ambivalence duty in the old days.

As the somewhat melancholy cortege approached the house, Meredith drew back the dusky brown holland curtain and looked anxiously out. Nor were Joseph's eyes devoid of expectation. He thought that Joseph would presently emerge from the tower being reared over and over again a neat, respectful speech, explanatory of his action in bringing a sick man to the house.

But the laughing frowns of flower and leaf remained motionless, and the cart drove unchallenged round to the principal door.

A black servant—a stranger—held the handle and stood back invitingly. Supported by Joseph's arm, Jack Meredith entered. The servant threw open the drawing room door; they passed in. The room was empty. On the table lay two letters, one addressed to Guy Gordon, the other to Jack Meredith.

Jack Meredith fumbled rather feebly at his letter. It was distinctly an effort to him to tear the paper.

My Dear Meredith—Just a line to tell you that the bungler and its contents are at your service. Joseph and I are off home for two months' change of air. I have been a bit mean. I leave this at the bungler, and we shall feel here if you do not make the house your home whenever you happen to come down to Louisa. I have left a similar note for Guy Gordon, in whose expedition to your relief I have all faith. Yours ever,

MAURICE GORDON.

"Here," said Meredith to his servant, "you may as well read it for yourself." He handed the letter to Joseph and leaned back with a strange rapidity of movement on the sofa. As he lay there with his eyes closed he looked reverently like a dead man.

At that moment Marie came into the room, flattered, gentle, self-possessed. "Ah, miss," said Joseph, "I'm glad to see you. You're wanted badly, and that's the truth. Mr. Meredith's not at all well."

Marie bowed gravely. She went to Meredith's side and looked at him with a smile that was at once critical and encouraging. Nostalgic, holding on her skirt, looked up to her face, and, seeing the smile, smiled too. He went further. He turned round and smiled at Joseph as if to make things pleasant all round.

Marie stooped over the sofa, and her clever dainty fingers moved the cushions. "You will be better in bed," she said. "I will get Mr. Gordon's room made ready for you—yes?" Then she turned to Joseph with that soft, natural way which seems to run through the negro blood however much it may be diluted.

"Help Mr. Meredith," she said, "the Mr. Gordon's room. I will go at once and see that the bed is got ready."

By daybreak next morning Joseph was at sea again, steaming south in a roasting boat toward St. Paul de Louisa. He sent off a telegram to Maurice Gordon in England, announcing the success of the relief expedition, and then proceeded to secure the outfit services of a medical man. With this youthful disciple of Esculapius he returned forthwith to Louisa and settled down with characteristic energy to nurse his master.

Meredith's progress was lamentably slow, but still it was progress and in the right direction. The doctor, who was wise in the strange maladies of the west coast, stayed for two days and promised to return once a week. He left full instructions, and particularly impressed upon the two nurses the fact that the recovery would necessarily be so slow that their unpracticed eyes could hardly expect to trace its progress.

MUST DRAIN POND TO RESCUE ENGINE

Locomotive Lies In Nine Feet Of Water.

Peculiar Accident on Illinois Central Switch at the Woodson Mine.

ENGINEER BARELY ESCAPES

Engineer Joe Richardson and Fireman J. Crosby, of Central City, narrowly escaped being drowned, and one of the big freight engines No. 641, of the Illinois Central, lies at the bottom of a deep pond at Woodson mines, near Greenville, Ky., as a result of slide of a fill yesterday morning. The accident is one of the most peculiar on record, and is the first instance when the wrecker has been baffled in his work, the "job" requiring the wrecker to lie idle until Tuesday.

"The engine lies on her side in 9 feet of water," Foreman Finis Fields of the wrecking crew, declared this morning. "You can just see a part of the big engine. She was kicking up a sliding yesterday when the accident happened. The track at Woodson mine is built on a fill next to the pond. In some way the fill crumbled. Engineer Richardson felt his engine shak, and crying out a warning to his fireman jumped.

"He was just in time. The big machine fell the rails and dived into the pond. The fact that she was not compelled to cars saved the road the expense of fishing out coal cars, the fill crumbling for a distance of 20 feet or more."

It is necessary to drain the pond before the engine can be taken out.

The wrecker was sent to the scene yesterday but returned to Paducah because it was impossible to get the big machine out until the water is drained from the pond. The wrecker is being repaired today preparatory to working on the job.

DAS FAITH IN THE FILIPINOS.

Judge Linberger Says They Are Growing Toward Independence.

Los Angeles, Nov. 3.—"The Philippines is not ready for self-government. He is in the receptive mood now, but it will take years to properly prepare him for the responsibility of self-government. He has the characteristics of the Japs, but they are dominant and need awakening. This awakening the United States is slowly but surely accomplishing," said Judge Paul W. Linberger, who for five years has been a trial judge in the insular possessions.

Judge Linberger is a guest at the Alexandria. He has the most confidence in the Filipinos. He acknowledges their weakness, but ascribes them to natural causes and not to racial traits.

Judge Linberger practiced law in Chicago until the Spanish-American war. He was appointed lieutenant, served in the First Illinois cavalry, and was judge advocate at Camp Thomas.

"Is It Right?"

We, as a people desiring to please God by following His instructions as laid down in the new testament, believe it wrong to bring into the worship anything not authorized.

Since instrumental music was not authorized by Christ nor taught by His apostles in the twenty-seven books of the new testament, and since it was never introduced into the worship of the Christian church until 760 years after the church was established, we, therefore, believe it to be wrong. Do not misunderstand us on this subject. We believe it to be right to have all kinds of instrumental music in the home and school room, but not in the house of God. The violin is our favorite instrument, but think it out of place in the church.

We shall speak on this subject once during the meeting. Come and bring your Bibles and let's investigate.

Denies Italians' Appeal.

Washington, Nov. 3.—Acting Secretary Murray of the department of commerce and labor today denied the appeal of the thirteen Italian laborers who arrived in New York on October 11 on the steamship Iguazu Ayres, from Naples, Italy. It is held that the evidence sustains the charge that the men had been promised employment at Arnold, Pa., and that they should therefore be deported under the contract labor law.

Harkney, Henry Temple, O. Ho Springer, Mr. and Mrs. J. S. Ragsdale, Mr. and Mrs. W. T. Pepper, Mrs. Ann Sanderson, Dr. and Mrs. R. C. Gore.

Beautiful Wedding and Reception.

A brilliant social event was the wedding of Miss Thelma Corbett and Mr. Charles W. Thompson on Wednesday evening at the First Christian church. The ceremony was said by the Rev. W. E. Cave, D. D., and the attendants were: Miss Faith Langstaff, maid of honor; Miss Pauline Purcell, of Lexington, Miss Mary Belle Taylor, of Frankfort; Miss Elizabeth Shinnott, Miss Jeanette Campbell; Mr. Horace Shinn, best man; Messrs. Richard Rudy, Nolan VanCull, Douglas Naah, Louis Hoke Jr., Wallace Well, Dr. J. Q. Taylor, Dr. Charles Lightfoot; Messrs. Charles Alcott, Arthur Martin; Miss Misses Hannah Corbett and Lucie Overly were flower girls. It was a chrysanthemum wedding and the colors pink and white were carried out in the beautiful and elaborate gowns and in the decorations.

A reception followed the ceremony, at the home of Mr. and Mrs. Hal Corbett on North Ninth street, which was charmingly decorated in white, pink and green, with chrysanthemum and anthurus. A number of out-of-town guests graced the occasion.

Luncheon to Ertle and Mauds.

A pretty compliment to Miss Rubie Corbett and her bridesmaids was paid by Mrs. Henry Rudy, the matron of honor, in her one o'clock luncheon on Tuesday at the home of her mother, Mrs. Armour Gardner, on Fountain avenue.

The table was a pretty effect in green and white with a center arrangement of white chrysanthemums. The sandwiches were cut heart shape. The leeks were green and white and represented hearts and cupid, while the intertwined initials C-T. The menu was delightful and the guests included: Misses Thelma Corbett, Mary Belle Taylor, of Frankfort; Pauline Purcell of Lexington; Virginia Kinney, of New York; Faith Langstaff, Elizabeth Shinnott, Jeanette Campbell, Frances Wallace, Martha Davis.

Elks' Open House.

An important social feature of the week was the formal opening of the Elks' Home, on North Fifth street, with a series of receptions on Tuesday afternoon and evening. The handsome new building, complete in all its details, was crowded during the hours and 300 names were entered on the guest register. The decorations were in the lodge colors, purple and white, and palms and flowers were attractively arranged throughout the rooms. In the dining room punch and cake were served by charming girls in evening dress. An orchestra played throughout the hours. Assisting the Elks' reception committee in receiving and entertaining were:

Mrs. Robert Phillips, Mrs. Will Farley, Mrs. Armour Gardner, Mrs. James Wellie, Mrs. H. D. Clements, Mrs. Henry Rudy, Mrs. George Scott, Mrs. A. R. Musical Evening.

Miss Mary Brizendine, of Russellville, was the guest of honor at a delightful musical on Thursday evening given by Miss Leitha Paryear at her home on Broadway. The musical idea was elaborated throughout the evening in various delightful ways. In a musical guessing contest the prize was won by Miss Irene Curd, and presented to Miss Brizendine. It was a musical novel. An informal musical program was rendered by: Mrs. Lewis, Miss Brizendine, Miss Knuss, of Evansville; Miss Mary Scott, Mr. Evert Thompson and Mr. Walter Clark.

A delicious two-course luncheon was served during the evening.

Enjoyable Hollow E'en Party.

Master Robert and Walton Hicks entertained about thirty-five of their young friends most enjoyably on Hollow E'en at their home on West Broadway. The house was attractively decorated with Jack-o'-lanterns and various unique effects, while a large black cat was the guardian of the festive scene.

Miss Katherine Powell and Miss Lucie Powell, cleverly disguised, told the fortunes of the guests in one room arranged in gypsy effect. Ghost stories told by the firelight were also a feature of the evening, and a peanut bag swung between the doors furnished much amusement. In the pumpkin stem contest the prizes were captured by little Miss Edith Sherrill and Master

Henry Leake. Refreshments appropriate to Hollow E'en time were served.

Luncheon for Visitor.

Mrs. L. B. Ragan, of 1237 Trimble street, entertained a few of her friends informally at luncheon on Thursday afternoon in honor of Mrs. J. J. Freundlich, of Evansville, Ind. The table was attractively decorated. Cards were played after the lunch. The guests were: Mrs. J. J. Freundlich, Mrs. Don Gilbert, Mrs. P. J. Hecklinch, Mrs. James St. John, Mrs. Margaret Brogan, Mrs. L. E. Durrett, Mrs. John Crow, Miss Agnes Brogan.

Five Hundred Club.

Mrs. I. D. Wilcox was the hostess of the Five Hundred club on Wednesday afternoon at her home on Kentucky avenue. It was a very delightful club affair. The club prize was won by Mrs. John Keller. The visitor's prize went to Mrs. William McGary. A contra-luncheon was attractively served after the close of the game.

Delphi Club.

The Alhambra occupied the attention of the Delphi club at its meeting on Tuesday morning. "The Towers and Walk—General Relief," were sketched by Miss Mattie Fowler and Mrs. Campbell Flournoy described the "Palaces and Courts." "The Legend of the Rose of Alhambra" was given by Mrs. George Flournoy, who also read Longfellow's "My Moonlight and Daylight."

Dance Last Evening.

There was an enjoyable dance at the K. of P. hall last night. It was arranged by Messrs. Harry Shugleton and Guy Jones and a number of couples were present.

For Miss Brizendine.

Mrs. William Brainerd, of Washington street, entertained two tables at cards very informally on Thursday afternoon in compliment to Miss Mary Brizendine, of Russellville, the guest of Mrs. Leith Wade Lewis.

Hollow E'en Dance.

The guests of Hotel Craig enjoyed a dance in the large dining room of the hotel on Wednesday evening. It was a very pleasant affair.

Informal Evening.

Mrs. Eli G. Hoone entertained informally a few young people at cards on Tuesday evening at her home on South Sixth street. The occasion was a pleasant compliment to Miss Mary Brizendine, of Russellville.

About People.

Mrs. William Carroll and Mrs. Robert Williamson, of Memphis, Tenn., are the guests this week of Mrs. George Flournoy at Lofolm Lodge. Mrs. Carroll is pleasantly remembered here as Miss Margaret Tucker, of Memphis.

Miss Mary Brizendine, a most attractive Russellville girl, who has been the guest of Mrs. Leith Wade Lewis, on Washington street, will return home on Monday. Miss Brizendine has been the honor guest at a number of pretty parties and has made a delightful social impression.

Miss Snale Thompson will leave next Friday to visit Miss Elizabeth Scott, of Clarksville, Miss., and will be a bridesmaid at the wedding of Miss Scott and Mr. Emmett Taylor, of Memphis, Tenn., on November 11, once Sherrill, Mrs. Hughes McScott, Mrs. Thomas C. Leech, Mrs. Victor Voris, Mrs. Bertie Campbell, Decker.

Mrs. Will McGary, who has been on an extended western visit, has returned to Paducah for the winter, and has apartments at the Hoover home, on Broadway.

The wedding of Mr. J. H. Faust, secretary and treasurer of the Faust Lumber company, of the city, to Miss Grace Craven, of Sallito, Tenn., will be solemnized on Wednesday at the First Presbyterian church in Sallito. After an extended bridal trip in the northwest they will make Paducah their home.

Miss Virginia Kinney, of New York, arrived on Monday to visit Miss Faith Langstaff, on Kentucky avenue. Miss Kinney is en route to St. Augustine, Fla., where her family have a winter home, but will spend some time here. She was the popular guest of Miss Langstaff last winter.

Miss Mary Belle Taylor, of Frankfort, one of the bridesmaids of the Corbett-Thompson wedding, who was the guest of Miss Faith Langstaff, left yesterday for Henderson, where she will visit before returning home.

Mrs. Leslie Samuels, of Hardstown, is expected next week to visit her parents, Mr. and Mrs. Richard G. Terrell, on Kentucky avenue.

AN INVITATION TO WOMEN

There is an attraction, a halo of beauty, surrounding a healthy woman that is not equalled by mere prettiness of face and figure. Yet nine women out of ten do not know how to retain their health, the one necessary aid to either beauty or happiness.

The sum total of the wisdom of the world's greatest specialists proves that nine-tenths of all women's diseases and difficulties with the menstrual period have the same cause—uric acid.

How uric acid causes women's diseases, how to avoid menstrual disorders, and how to keep in good health is fully explained in a recent booklet on "Good Health." Every woman not in robust health may have a copy of this book free by writing for it today. This book tells the story of

LIFE PLANT

versus URIC ACID. It shows why LIFE PLANT should be in the hands of every woman. LIFE PLANT is a natural solvent of uric acid—drives it out of the blood, dissolves the deposits of uric acid out of the delicate female organs and aids them to resume their normal functions without pain.

If we could only get you to write for a copy of this free booklet on "Good Health," get you to go to your druggist for one bottle of LIFE PLANT, we would not need to advertise to you again. Any woman desiring special medical advice is invited to write to I. J. Mizer, M. D., President of

WATER CONTRACT TO BE VOTED ON AT THE NOVEMBER ELECTION

REPORT OF JOINT LIGHT AND WATER COMMITTEE ON NEW CONTRACT BETWEEN THE CITY OF PADUCAH AND THE PADUCAH WATER COMPANY.

Owing to the fact that the contract existing between the city of Paducah and the local water company for fire hydrants expires during the current month it was incumbent upon the general council to negotiate for such service covering the remaining period which the franchise of the water company still has to run, to-wit: eighteen years.

After several conferences between the joint light and water committee and the officers of the water company a scale of rates for fire hydrants was agreed upon by the committee and the water company. These rates have been embodied in a contract which will be submitted to the general council for such action as the wisdom of that body may determine. If the proposed contract is favorably acted upon by the general council, it must be submitted to the voters of the city at the next election and affirmatively ratified by not less than two-thirds of the vote then cast upon the question before contract between the city and the water company can be finally executed.

It is therefore worth while for the voters of the city to carefully consider the terms of the proposed contract before casting their votes at the coming election, and if it appears that the proposed contract is to the advantage of the city, then to register their approval thereof upon their ballots.

In order that the voters may have an opportunity to become fully advised regarding the terms of the proposed contract a copy of the same is herewith submitted which reads as follows:

"Section 1. That the City of Paducah, Ky., agrees to rent and does hereby rent from Paducah Water Company, its successors and assigns, four hundred and eleven (411) double nozzle fire hydrants now established in said city for a period of eighteen (18) years from the passage and final approval of this ordinance, after an election by the people as hereinafter provided. The annual rental for each of said fire hydrants, which the city of Paducah hereby agrees to pay for the first ten (10) years of said term, shall be twenty (\$20.00) dollars and the annual rental for the remaining eight (8) years shall be fifteen (\$15.00) dollars, unless the said city shall sooner purchase water company's plant, with six (6) per cent interest upon deferred payments. The payments of said rentals shall be made as provided in the original ordinance contract.

"Section 2. All additional hydrants on extensions of mains that may be erected hereafter by the Paducah Water company, its successors or assigns, as provided in the original ordinance contract during the said eighteen years, shall be charged and paid for as provided in section one hereof; but at the expiration of ten (10) years from the time this ordinance shall have been finally approved as set out above, all the fire hydrants shall be charged and paid for at the uniform rate as above provided and the contract therefor shall expire at the end of the eighteen years fixed in section one.

"Section 3. Before this ordinance shall become effective it shall be submitted to a vote of the qualified voters of the city of Paducah, Ky., at the general election to be held in said city on the 6th day of November, 1906, the said vote to be taken in the manner and as provided by law for the submission of public questions to the voters of said city.

"Section 4. This ordinance shall take effect and to be in force from its passage approval and ratification by the qualified voters of the city of Paducah, Ky., and a written acceptance of its terms and conditions by the Paducah Water company filed with the clerk of the city of Paducah, Ky., within ten (10) days after the official certificate of its approval at the popular election."

At the present time the water company has installed for the use of the city 411 fire plugs, which under the old contract are rated and cost each year as follows:

150 fire plugs at \$40.00... \$6,000.00
20 fire plugs at \$30.00... 900.00
231 fire plugs at \$25.00... 5,775.00

Total \$12,675.00

Under the proposed contract this same service would cost the city but \$8,220.00 for each of the first ten years of the contract a saving upon the number of hydrants now installed of \$4,455.00 per annum and for the ten year period a saving of \$44,550.00.

For each of the last eight years which the franchise has to run, the cost for 411 hydrants would be \$6,168, a saving to the city of \$6,510 per annum or of \$52,080 for the entire eight years of the franchise, making a total saving to the city between the existing contract and

the proposed contract of \$96,630. There is nothing contained in the proposed contract changing the rights of the city or those of the water company under the original franchise. The city still retains the right to purchase the water company's plant at the expiration of each five year period in accordance with the terms of the original franchise.

This committee has also compared the rates contained in the proposed contract with those in effect in 127 other cities for the same class of service and finds the proposed rates lower than those paid by any of these cities. The approximate average cost per hydrant in the number of cities mentioned above is \$48.

The rates referred to were submitted by the local water company and this committee assume that the figures are correct. The list of the cities with the rate paid in each is on file with this committee and anyone desiring to verify the figures contained therein may have the opportunity of doing so at any time.

It should also be borne in mind that until a new contract is entered into between the city and the water company, that the rates charged under the existing contract will maintain. The only alternatives offered to escape from the old rates are either to make a new contract or to discontinue the service, the latter, of course, being quite impossible.

Therefore this committee has no hesitation in recommending to the general council and to the voters of the city of Paducah that the proposed contract be ratified.

Tobacco Man Falls.

Louisville, Ky., Nov. 3.—Edgar D. Martin, formerly connected with the tobacco firm of H. N. Martin & Co., which failed two years ago filed a petition in bankruptcy today. He owes \$161,761 and has assets amounting to \$90, on which he claims exemption. The tobacco concern, which moved here from Greenville, Ky., was at one time one of the best known in the state. The indebtedness of the petitioner was chiefly on notes for which he was joint surety and which were executed in the name of the firm of H. N. Martin & Co.

The heaviest creditors are Louisville concerns.

TURNED TO GOLD

Did Everything That Sam Shubert Touched Theatrically.

New York, Nov. 3.—The story of how "Everything Sam Shubert touched turned to gold" was told in the United States circuit court here today by Lee Shubert, a brother and business partner of the dead theatrical manager. Sam Shubert was killed in a wreck on the Pennsylvania railroad at Harrisburg on May 10, 1905, and his father and mother brought suit against the railroad company for \$250,000 damages. It was at the opening of the trial of the suit that Lee Shubert told the story of his brother's success. At the age of 18, a bell boy in a hotel in Syracuse, Sam Shubert died at 28, the head of a partnership which controlled nearly half a hundred theaters in the United States and England and a large number of prosperous and successful theatrical companies on the road. His brother said, Sam Shubert's annual income from his business was about \$50,000. The jury returned a verdict awarding \$250,000 damages to Sam Shubert's father and mother.

MILLIONAIRE'S HEIRS CUT OFF

R. M. Snyder's Will Gives \$200 to Family of Son Now Dead.

Kansas City, Mo., Nov. 3.—The will of R. M. Snyder, the millionaire, who was killed Saturday in an automobile accident, cuts off the family of his son Vercy, who is believed to have been killed in Oregon, with \$200. To the son was bequeathed \$100, and an equal amount to Carey Snyder's son by his first wife, from whom he was divorced. R. M. Snyder's widow is left one-third of the estate, which is worth between \$1,000,000 and \$1,500,000. Two minor sons, Leroy J. and Kenneth W., receive four-ninths. Snyder's mother, \$2,000, and the remainder is divided in small bequests among friends.
